## Alexi Melvin

Alexi took some time off for some much needed rest and relaxation, but it was anything but that. Alexi spent a week in Japan for the opening season of Major League Baseball. She accompanied her father, Bob Melvin, manager for the Oakland A's to Japan for two games against the Seattle Mariners. Alexi endured baseball mania, including having six security guards outside her hotel room. Alexi made it back home and she is now recuperating from the hoopla. Oh, the teams split the two games.

Welcome home, Alexi.
