SYSTEMATIC TRAGEDY HITS THE AIR WAVES

Systematic Tragedy makes their television debut on the popular Los Angeles based talk show, *Focus in the Mix with Denise Ames*. This insightful interview offers viewers an intimate look at why this California band is growing in popularity. The band is sharing the airwaves with Pantera's Rex Brown.

Also, last month SMT recently was the guest on the Mo Power Radio Show. The show is broadcast locally in SoCal as well as in the UK, by hostess Mo Power. The band will return to the radio show later this month to guest-co-host. Hard copies of the band's album is being sent to the UK for airplay, due to popular demand. Way to go SMT!!!
